

To,  
The Principal  
Mathura Sainik School

Respected Madam,

We request you to kindly admit our child in your esteemed school. We are ready to follow all procedures, rules and regulations of your school which have been given to us and we have gone through them thoroughly.

At the time of admission this is clearly conveyed to me by the Counsellors that the School is under consideration for affiliation by Sanik School society and yet not approved.

Till its approval it is working as Chandanvan Public School.

Thank you
